

My name is William Bellingham, and I am running to serve in the position of Professional UUP Delegate. I am the Program Coordinator for Outdoor Pursuits in Campus Recreational Services. As a Delegate, I will have the ability to establish policies for the union, decide on proposed amendments to the UUP Constitution, and adopt UUP's annual budget. As YOUR Delegate, I will be YOUR chapter representative, YOUR chapter activist, and YOUR state-level activist. I will carry out my duties as a Delegate with the wants and needs of the Professional UUP Members of the Binghamton Chapter at the forefront of my mind. With your vote, I can put in place the policies and procedures you see necessary to better our great union. I am fairly new to the university and to the union. I believe having the perspective of a younger and newer UUP Member will be beneficial to the processes carried out by the union. I will, of course, represent all my constituents fairly, and take into account all perspectives when deciding on policies, amendments, budgets, etc. Please feel free to contact me using the following methods and let me know how I can better serve you. **Email:** bbellingham95@gmail.com **Cell:** (585) 645-5669
