Workshop on Workload Creep for Academics Only

Presented by NYSUT Labor Relations Specialist Bill Capowski

When: Tuesday, November 13, 2018

Time: 12:30 – 2pm

Where: JFT 1010

GOALS:

- identify and define the terminology associated with professional workload issues
- provide a brief overview of the statutory, policy, and negotiated framework
- briefly identify the relevant PERB case law
- * translate ideas into practical suggestions in managing workload *
