

NOTE: this meeting was cancelled as the president and provost were not available
UUP Labor-Management Agenda

Wed. Dec. 20, 2023

1:30pm Kehoe 6th Floor Conf. room

Old Business:

1. Concerns about asking Chairs to participate in reviewing/ranking which tenure-track positions to fill.
While we support transparency and communication, the founding principles of UUP call for members to not participate in management decisions that may affect the cutting of employees or programs.
Conversation at last L/M also touched on the need for and benefit of having a campus Academic Plan.
2. Any update on the status of the CVPH contract?

New Business

3. Related to last meetings general discussion on SUNY Potsdam and ideas around merging departments or creating centers - a reminder about Article 35 and retrenchment rights and seniority.
4. Any news or updates on the proposed changes to state teacher education certification processes/standards?
